

BearSaver Roll-Out Trash Can

- Certified grizzly bear resistant by the Living with Wildlife Foundation
- Special latch under the lid prevents animal entry
- Snap-shut lid means no manual latching
- Durable injection moulded construction with steel reinforced side rails, lid support, back stiffener and bracing on handle
- Forest green in colour
- 3 sizes available: 32, 65 and 95 gallon

***Note: NOT TO BE USED FOR CURBSIDE COLLECTION**
Please transfer garbage into regular, 80-L curbside bins
on the morning of collection.

Supplier: Fraser Valley Building Supplies Inc.
