

**Jim Toth**

## **Lifetime Achievement Award**

Jim Toth has worked for the Mission School District for 34 years. He is being recognized today with the Lifetime Achievement Award for his many years of dedicated service to the youth of Mission, as an educator, a coach and a mentor.

Whether in his role as a teacher, vice-principal or principal, Jim has always made sure both the academic and extracurricular needs of his students are met. He routinely coaches four or more teams each year and, over the span of his career to date, has coached or managed more than 120 teams. Jim volunteers his time so that students have the opportunity to play and, in the process, teaches them perseverance, teamwork, commitment and other life skills.

The District of Mission has produced many fine athletes, in no small part due to people like Jim. In addition to his coaching duties, he often referees games, officiates at meets, helps line the fields, and draws up game schedules. Jim has spent much of his free time volunteering, and athletics in Mission has thrived as a result of his consistent dedication and commitment to our youth.
