

Sally Buchanan

Community Service Award

A longtime resident of Mission, Sally Buchanan has been involved with various organizations in the community for over 25 years. She is being presented today with the Community Service Award in recognition of her work with the Mission Old Age Pensioners Organization and the Mission Hospital Auxiliary.

Sally has volunteered in the Hospital Auxiliary Cottage and the Gift Shop at least once a week for the past 22 years. She was also the President of the Old Age Pensioners Organization for three years and, although she is no longer on the Executive, she is still actively involved in various events. She was a valued member of the Downtown Coalition for several years, and continues to donate generously of her time to many different causes.
