District to meet with RCMP about released sex offender

Mission, BC. The District of Mission was disappointed to learn that a High Risk Sexual Offender was released from a federal corrections institution to reside in Mission without any consultation or advance notification. The District has received reassurance from the RCMP that appropriate resources are being deployed to ensure the safety of Mission residents. Mayor and Council would like to assure Mission residents that the District will be seeking a resolution to this unacceptable situation and will continue to meet with the RCMP to address resident safety.
