

Find all the fun in the forest.

Our B.C. forests are great places for all kinds of fun. Fishing, camping, homes for animals, hiking and just beautiful places to be. The forest is also important for people too. It gives us wood to build with and all kinds of important jobs for people to do. There are eight different kinds of fun and activities in this forest. Can you find them all as you color the forest fun?

Answers:

camping, fishing, hiking, photography, bird-watching, dog-watching, cat-watching, rabbit-watching, bird-watching
