

FireSmart™ Assessment Work Hours Estimate Form

Please note CRI only provides funding for FireSmart activities on residential property or homes that are outlined in below table.

Homeowner Name: _____ Street Address: _____

Email Address: _____

Phone Number: _____

Eligible FireSmart Activity		Contractor Hours	Homeowner Hours	Cost Per Hour	Total Cost
Home or Structure					
Roof Material	<ul style="list-style-type: none"> • Install UL/ASTM fire-rated roofing (metal, clay, asphalt shingles) 			\$32.00	
Gutter Vents	<ul style="list-style-type: none"> • Install non-combustible gutters and/or gutter covers. 			\$32.00	
And Openings	<ul style="list-style-type: none"> • Remove roof surface tree needles, debris, or overhanging branches 			\$32.00	
	<ul style="list-style-type: none"> • Install closed eaves and/or non-combustible fire-rated vents or vents with 3 mm screening. 			\$32.00	
Building Exterior or Siding	<ul style="list-style-type: none"> • Install ignition resistant (fiber cement board or log) or non-combustible (stucco, metal, brick/stone) exterior siding material 			\$32.00	
	<ul style="list-style-type: none"> • Repair gaps, cracks, or holes where embers could lodge or penetrate 			\$32.00	
	<ul style="list-style-type: none"> • Provide 15 cm non-combustible vertical ground-to-siding clearance 			\$32.00	
Windows & Doors	<ul style="list-style-type: none"> • Install tempered glass in all doors and windows 			\$32.00	
	<ul style="list-style-type: none"> • Replace single pane window glass with multi pane / thermal window glass 			\$32.00	
	<ul style="list-style-type: none"> • Repair gaps in doors / garage doors where embers could accumulate or penetrate. 			\$32.00	
Balcony, Deck or Porch	<ul style="list-style-type: none"> • Install non-combustible or fire-rated, solid (no gaps or cracks) deck surface and support construction 			\$32.00	
	<ul style="list-style-type: none"> • Close up open deck structures and/or remove all combustibles below deck 			\$32.00	
Immediate Zone (0-1.5 metres)					
Non-combustible Surface, Vegetation, Combustible Materials	<ul style="list-style-type: none"> • Ensure there is a 1.5m non-combustible surface around the home and attached structures 			\$32.00	
	<ul style="list-style-type: none"> • No vegetation (i.e. shrubs, grass, trees within the immediate zone) 			\$32.00	
	<ul style="list-style-type: none"> • Remove combustible debris, materials, fences, or plants 			\$32.00	
Intermediate Zone (1.5010 metres)					
Woodpiles	<ul style="list-style-type: none"> • Move woodpiles, building materials and all other combustibles into the Extended Zone or enclose in an outbuilding that meets FireSmart guidelines. 			\$32.00	
Unmitigated Outbuildings	<ul style="list-style-type: none"> • Relocate outbuildings not meeting FireSmart guidelines more than 10 meters from home or upgrade outbuildings to meet FireSmart guidelines 			\$32.00	

Trees	<ul style="list-style-type: none"> Remove coniferous trees from this zone or mitigate mature conifers (limb to 2 meters and ensure 3-meter crown spacing where ecologically appropriate). 			\$32.00	
	<ul style="list-style-type: none"> Promote deciduous trees that are resistant to wildfires 			\$32.00	
Surface Vegetation	<ul style="list-style-type: none"> Cut and maintain grass to less than 10 centimeters or shorter 			\$32.00	
	<ul style="list-style-type: none"> Plant low-growing, well-spaced, fire-resistant plants, and shrubs, avoid having any woody debris, including mulch. 			\$32.00	
	<ul style="list-style-type: none"> Ensure surface debris is kept to a minimum. Remove dead branches, excessive buildup of pine needles, and heavy accumulation of grass 			\$32.00	
Extended Zone (10-30 metres)					
Trees	<ul style="list-style-type: none"> Thin coniferous trees (3m apart) or replace with deciduous tree species 			\$32.00	
	<ul style="list-style-type: none"> Remove conifer tree branches within 2 meters of the ground 			\$32.00	
Surface Vegetation	<ul style="list-style-type: none"> Reduce surface vegetation – long grass and flammable shrubs 			\$32.00	
	<ul style="list-style-type: none"> Reduce accumulations of branches, logs, and debris 			\$32.00
