

To access the training:

New employees click on the WHMIS Training Link or visit;
<https://aixsafety.com/testing-free-whmis-2015-training/>

Scroll down until you see the “Launch!” button.

Please click on the launch button to start the training.

There will be audio and videos in the training, please make sure your speakers are working.

Once the training is complete

1. Take a screen shot of the completed training page, or the displayed Certificate
2. Please forward the certificate to hr@mission.ca and khynes@mission.ca
3. HR will keep this in your personnel file
