

Connect with Council

There are many ways to connect with your City of Mission Council.

Write a Letter or Email

Share your thoughts by either emailing info@mission.ca or by mailing:

Speak as a Delegation at a Council Meeting

A delegation is the formal name for an individual or group who appear before Council (or an Advisory Group of Council) to:

- Make a presentation on a matter that is of broad interest and that falls within the jurisdiction of the City;
- Initiate interest for an item of public concern; or
- Bring Council up to date on a project, idea, or concept.
