Class Descriptions

POOL

Aqua Fitness Shallow

A low-impact class and total body workout! Those with arthritis may find this program effective and fun. May attend from the deep end, if desired.

Aqua Fitness Deep

It's a total body workout in the deep end of the pool that targets all major muscle groups while being easy on joints. Buoyancy belts are available.

Water Wellness

A gentle yet effective water workout including stretching and lighter exercises to help improve joint mobility, tone muscle and improve posture.

STUDIO / GYMNASIUM

\$2 Quick Fit

Enjoy a variety of exercises to give you an effective and condensed workout in just 35 minutes over your lunch hour! Warm-up before hand if you have the time.

Ball & Core Strength

A total body workout that challenges the body through stabilization and balance. Weights and other equipment are used to challenge your muscles, strengthen your core, and improve your posture.

Body Conditioning

A full body workout using a mixture of body bars, lighter dumbbells (higher reps), resistance bands and cardio moves.

Core & More

Core conditioning is so much more than just abdominal crunches! Enjoy new exercises that can help improve posture and build strength to take on life head-on!

HIIT

Interval training routine to improve muscle tone and cardiovascular health. This high intensity class will challenge your strength and endurance!

No Sweat

A pre-choreographed weight resistance workout using body bars and dumbbells. This all-levels class helps tone the whole body

Spin

Spin classes are a great time! Motivating and high-energy while burning calories, building muscle and relieving stress on our Keiser spin bikes.

Step & Strength Combo

Enjoy a fun classic cardio workout using a height adjustable step and free weights. Step up, around, and down the platform in different patterns to boost heart rate, improve cardiovascular and strength.

Strength & Cardio Bootcamp

Get your heart-rate up with a total body workout including strength training, aerobics, plyometrics, TABATA and circuits. All levels welcome!

Strength & Core

A full body strength workout that focuses on building muscle and strengthening the core to help improve posture and prevent injury.

Strength & Stretch

Full body strength class with dumbbells, bands, and body bars. Finish the class off with a full body stretch to start your morning off right!

Stretch, Roll & Release

Learn to breathe, relax and roll through tight areas of your body. Release muscle tension and soreness while improving functional mobility and flexibility.

Tone & Sculpt

Use hand weights and resistance bands to challenge muscular endurance with a wide variety of exercises and ranges of motion.

WEIGHT ROOM

\$2 Quick Fit - TRX

TRX suspension training using body weight exercises to develop strength, balance, flexibility and core stability leaving you feeling strong and accomplished!

Syrngy Circuit

The circuit includes strength, endurance, agility, plyometrics and core conditioning (warm-up on your own!). Located in the Weight Room.

TRX Circuit

Test your strength in a whole new way! No experience necessary but be prepared to progress slowly through the movements/exercises to ensure optimal results.

YOGA & PILATES

Pilates

Mat Pilates means no reformer is used. In this class, you hold movements like planks, side planks, and core exercises to build muscles and core strength.

Yoga - Hatha

Enjoy a total body stretch while tuning into your breath work, posture, and mood. This session is sure to help you start your day on the right foot!

Yoga Fusion

Yoga + Pilates + Core Conditioning = Yoga Fusion. Be prepared to work hard and enjoy improving muscular endurance, range of motion and posture.

Vinyasa (Flow) Yoga

Raise your heart rate and challenge your strength with quick sequencing designed to keep you moving. A relaxing savasana will be provided at the end of the class.

OLDER ADULTS

Seniors Chair Fitness

Seated (or not) chair exercise to improve muscular endurance and coordination. Enjoy a fun workout routine each week! No experience necessary.

Seniors Chair Yoga

Seated (or not) chair yoga. Ideal for all fitness levels and abilities. This all-levels class will include modifications so that every pose can be achieved by all.

Seniors Fit Circuit

The Seniors Fitness Circuit program will go through ability-appropriate cardiovascular, muscle conditioning and flexibility exercises along with brain fitness exercises to keep all aspects of health and wellness running optimally!
