3. DELEGATIONS

   Neil Smith and Rocky Blondin
   Neil Smith and Rocky Blondin appeared before Council to provide an update on the activities of the Mission Community Cycling Coalition (MC3). They requested the District establish an Active Transportation Advisory Committee, continue to work towards the construction of bike lanes along 7th Avenue, and invest in cycling infrastructure for youth
Council directed staff to report back on the feasibility of developing an Active Transportation Committee as a sub-committee of the Mission Traffic and Transit Committee.

Discussion ensued, and staff and the delegates answered Council's questions in regards to the temporary bike lane planned along 7th Avenue for Bike to School Week, the status of the 7th avenue bike lane project, grant opportunities and timelines for cycling infrastructure, and opportunities to develop cycling infrastructure for youth in Mission.

4. HEARINGS

Official Community Plan Amending Bylaw 5829-2019-5670(10)

OCP19-001 (Mangat) – a bylaw to redesignate portions of the property located at 8924 Cedar Street from Protected Natural Assets to Attached Multi-unit Residential and from Attached Multi-unit Residential to Protected Natural Assets

-AND-

Zoning Amending 5830-2019-5050(337)

R17-043 (Mangat) – a bylaw to rezone property at 8924 Cedar Street from Suburban 36 (S36) Zone to Multiple Family 79 Townhouse (MT79) Zone and Institutional Parks, Recreation and Civic Zone (IPRC) Zone

The purpose of the proposed Official Community Plan bylaw amendment is to redesignate portions of the property located at 8924 Cedar Street from Protected Natural Assets to Attached Multi-unit Residential and from Attached Multi-unit Residential to Protected Natural Assets to allow a townhouse complex of approximately 42 units and parkland.

The purpose of the proposed Zoning bylaw amendment is to rezone the property at 8924 Cedar Street from Suburban 36 (S36) Zone to Multiple Family 79 Townhouse (MT79) Zone and Institutional Parks, Recreation and Civic Zone (IPRC) Zone to allow a townhouse complex of approximately 42 units and parkland. The subject property is legally described as:

    Parcel Identifier: 009-315-446
    Lot 1 Section 33 Township 17 New Westminster District Plan 23879

The Mayor opened the public hearing.

The Manager of Planning showed a PowerPoint presentation that provided the following information:

1. Purpose and outline of the proposal.
2. Subject property map.
3. Background on the proposed Official Community Plan amendment and the rezoning proposal.
4. Proposed Site Plan.
5. Building Elevations.
7. Proposed Setback Variances.

The Corporate Officer stated that no written submissions pertaining to the subject application had been received.

The Mayor opened the floor to the public for questions and comments.
Hari Cheema, spoke on behalf of the property owner to north of subject property. He expressed concern that the adjacent property would become undevelopable if the rezoning proposal was approved and stated that the owner felt he was being treated unfairly. He asked Council to table consideration of the subject property to give the owner time to determine how his property could be developed. Mr. Cheema stated that the former Official Community Plan designation had been relied upon when the property was purchased and that if the property was rendered undevelopable, the District may have to purchase the property.

In response, the Manager of Planning stated that the Cedar Valley Area Plan did propose a road and park land on the property to the north, but that he did not see how the current development proposal would impact the property. He noted that the District had yet to receive a development application for the adjacent property.

Discussion ensued, and the following questions and concerns were noted by Council:

- the width of the strata road through the development;
- if an adequate turning radius was being provided for emergency vehicles;
- if additional vehicle entrance and exit points were planned for the property; and
- the developer’s liability if the Protected Natural Assets (PNAs) identified on the property were encroached upon or damaged during construction.

In response to the questions and concerns noted by the Council, staff noted that:

- the minimum required road width for roads on strata properties was six metres;
- the current proposed configuration included a hammerhead for vehicle turnarounds and would prohibit parking on the strata road;
- a future egress may be available to the north end of the property pending the future redevelopment of the property to the north; and
- it may be possible to use the landscaping budget as a bond against damage to the PNAs.

Hearing no further questions or comments, the Mayor declared the Public Hearing for District of Mission Official Community Plan Amending Bylaw 5829-2019-5670(10) and Zoning Amending Bylaw 5830-2019-5050(337) (R17-043 Mangat) closed.

**Land Use Contract Repeal Bylaw 5905-2020**

LUC18-024 (District of Mission) – a bylaw to terminate Land Use Contract 610-1977 for the properties at 33214, 33220, 33242, 33252, and 33262 Cherry Avenue

-AND-

FEB. 03/20
Moved by Councillor Crawford, seconded by Councillor Gill, and

RESOLVED:
That Official Community Plan Amending Bylaw 5829-2019-5670(10), a bylaw to redesignate portions of the property located at 8924 Cedar Street from Protected Natural Assets to Attached Multi-unit Residential and from Attached Multi-unit Residential to Protected Natural Assets, be read a third time.
CARRIED

Discussion ensued in regards to Zoning Amending Bylaw 5830-2019-5050(337) and the following comments and concerns were noted by Council:

- lack of supplementary vehicle entrance and exit points in addition to the main entrance and exit off of Cedar Street;
- emergency and service vehicle access to the property;
- the large scale of the development considering the lot size; and
- reducing the adjacent property's future development potential.
In response, the Director of Development Services stated that the Official Community Plan was meant to guide future land use, but that the neighbouring property could be developed under its current zoning. He noted that the property’s development potential would be determined during the development application process and that the District had not yet received an application for the property to the north.

Moved by Councillor Crawford, seconded by Councillor Gill, and

RESOLVED:

That Zoning Amending Bylaw 5830-2019-5050(337) R17-043 (Mangat), a bylaw to rezone property at 8924 Cedar Street from Suburban 36 (S36) Zone to Multiple Family 79 Townhouse (MT79) Zone and Institutional Parks, Recreation and Civic Zone (IPRC) Zone, be **read a third time**.
