

**Correction Item 5(c) March 16, 2015 Council Agenda**

The introduction to item 5(c) requires the word “Accessory” to be replaced with “Principal” as outlined in bold in the revised introduction below:

This report details a text amendment to the Zoning Bylaw that would both add a definition of Aggregate Management to the Bylaw and include the use as a permitted **Principal** Use within the Industrial Resource Extraction and Industrial Resource Extraction and Processing zones. The amendment would clarify explicitly where aggregate management uses can occur in the industrial zone categories of the Zoning Bylaw.

Staff support the text amendment moving forward and as such have listed the Zoning Amending Bylaw under the “Bylaws for Consideration” section of the agenda.

Subject to Council approval, a Public Hearing will be scheduled for April 7, 2015.
