Subject: FW: directional signs

Hi Glen,

The Mission Arts Council would appreciate our support in asking the Ministry of Transportation to add directional signs to Lougheed Highway, directing people to the arts centre.

Can we please add this to an agenda? I'm happy to speak to it as a late item on Monday night if you so wish.

Paul

Subject: directional signs

Good morning Paul,

With regards to our conversation, I am interested in the signs as we discussed at our mtg. Thank you

With regards,
