

Late Item – Bylaws 4.(b)

Corporate Administration
Memorandum

File Category: PRO.DEV.DEV
File Folder: R11-009

To: Mayor and Council
From: Deputy Director of Corporate Administration
Date: July 25, 2011
Subject: **Bylaw Considered at Public Hearing**

Recommendation

That Council give second and third reading to the following bylaws:

- District of Mission Official Community Plan Amending Bylaw 5222-2011-4052(14) (R11-009 – Mission Association for Seniors' Housing)
- District of Mission Zoning Amending Bylaw 5223-2011-5050(44) (R11-009 – Mission Association for Seniors' Housing)

Background

Staff has been working with Mission Association for Seniors Housing (MASH) to bring this development forward for Council consideration. In an effort to permit MASH to introduce the development to the public, staff is bringing the two relevant bylaws forward to council for consideration of second and third readings.

The following bylaws were considered at Public Hearing this evening, and are now available for second and third readings:

- District of Mission Official Community Plan Amending Bylaw 5222-2011-4052(14) (R11-009 – Mission Association for Seniors' Housing)
- District of Mission Zoning Amending Bylaw 5223-2011-5050(44) (R11-009 – Mission Association for Seniors' Housing)

Council may now decide whether it wishes to give second and third readings immediately or delay it until the next meeting, so that any comments made during the Public Hearing can be fully considered.

In order to preserve the judicial nature of the procedure, it is not possible for further comments from the public to be received now that the Public Hearing on these bylaws has been closed.
