## 2. DELEGATIONS AND PRESENTATIONS

RC10/491  
SEP. 20/10

### **Don Stahl, Conservation Officer, Province of BC Re: Bear Awareness and Safety**

Don Stahl, conservation officer for the Province of BC, and Drake Stephens, Bear Awareness coordinator for the City of Coquitlam, appeared before council to provide information about how to reduce conflicts between bears and people, and to provide an overview of the Bear Awareness initiative.

Mr. Stahl stated:

- there have been approximately 380 bear related calls this year from the Mission area alone;

- there are 6 conservation officers available for Mission, however the patrol area is from Coquitlam to Boston Bar, and the officers are also responsible for law enforcement in that area;
- they have had to destroy 4 bears in Mission this year;
- last year three family groups (mother and cubs) were relocated;
- the main attractant for bears is garbage stored outside or left out the night before pickup;
- the bears are also attracted to other food sources such as pet food left out, bird feeders, fruit trees and small livestock (chickens, rabbits, goats); and
- the bears will keep coming back if they have identified a food source, however if the source is removed or made inaccessible, they will not come around.

Mr. Stahl asked council to consider putting resources toward educating the public, or hiring a person to "bear aware" the community or delegating some staff time to work on bear attractant issues.

Mr. Stephens provided the following information:

- the Bear Aware program is spearheaded at the provincial level by the BC Conservation Foundation (BCFF), a province wide, non-advocacy, science based organization;
- the aim of the program is to reduce bear/human conflict primarily in urban areas through education, innovation, and cooperation;
- the BCCF pursues funding, develops materials and provides support for community program delivery (door to door, presentations, public displays, garbage tagging, school programs, organizing volunteers, commercial business education); and
- the Bear Aware program has been very effective in reducing conflict and reducing the need to destroy problem bears.

In response to questions from council regarding relocation, Mr. Stephens and Mr. Stahl stated that they almost always relocate a family unit (mother and cubs). The bears that usually end up being destroyed are the 2 to 3 year old males, because territorial older males push them out to residential areas where they get trapped and ultimately destroyed as a last result. Relocating younger males does not work because they are moved into territories already occupied by other bears and the same thing happens. Relocating the family groups usually does work because the mother will defend the cubs from other males.

Mayor Atebe thanked Mr. Stahl and Mr. Stephens for the information.

RC10/492  
SEP. 20/10

**Don Hurtubise**  
**Re: Refund of Application Fee**

Don Hurtubise appeared before council to request a full refund of his development application fee.

Mr. Hurtubise summarized the process he went through in researching and purchasing his property. He stated he was eventually told by planning staff that his development application was premature, and recommended that he withdraw it. He further stated that he was told by planning staff that his application fee would be fully refunded.

Mayor Atebe thanked Mr. Hurtubise for the information.

Moved by Councillor Horn, seconded by Councillor Scudder, and

RESOLVED: That staff provide a report to council including a summary of the development application process, the history of the application file for 10836 Greenwood Drive, and the options available under the bylaw.

**Millie Silver**

**Re: Request for Council Resolution of Support for  
35<sup>th</sup> Elders Gathering July 12 to 14, 2011**

Elder Millie Silver of the Sumas First Nation in Abbotsford appeared before council to request a resolution and letter of support for the 35<sup>th</sup> Elders Gathering, to be held July 12 to 14, 2010 at the Tradex in Abbotsford.

Ms. Silver provided the following information about the annual Elders Gathering:

- the gathering is held each year in different host communities all over the province;
- the purpose of the Elders Gathering is so the Elders can come together and take their rightful place as advisors, teachers and leaders;
- it is an opportunity for the Elders to share traditional ways with visiting cultural and linguistic groups through songs, dances and ceremonies;
- it is a huge event with 4,000 to 5,000 visitors expected to be staying in the municipalities of Mission, Abbotsford, Chilliwack and Langley; and
- each year a king and queen are chosen; this year the king is "Qwahonn" Johnny Williams from the Scowlitz Indian Band, and the queen is "Siyamex" Virginia Peters from the Chehalis Indian Band.

Siyamex Virginia Peters and Qwahonn Johnny Williams thanked council for the opportunity to announce and promote the event.

Mayor Atebe thanked Elder Millie Silver, Siyamex Virginia Peters and Qwahonn Johnny Williams for the information.

Moved by Councillor Gidda, seconded by Councillor Horn, and

RESOLVED: That letter of support from Mayor and Council be provided for the 35<sup>th</sup> Elders Gathering to be held July 12 to 14, 2011 at the Tradex in Abbotsford.

There was no other business.

## **13. CHIEF ADMINISTRATIVE OFFICER'S REPORT**

The chief administrative officer did not report.

## **14. MAYOR'S REPORT**

The mayor reported on various activities, meetings and events attended since the last regular council meeting.

## **15. COUNCILLOR'S REPORTS ON COMMITTEES, BOARDS AND ACTIVITIES**

Councillors Plecas, Gidda, Stewart, Scudder and Stevens reported on various activities, meetings and events attended since the last regular council meeting.

## **16. QUESTION PERIOD**

Mayor Atebe clarified that council cannot take questions regarding the Meadowlands and Fraser Valley Shopping Centres development proposals because those applications have each had a public hearing and are still sitting at third reading. The law prohibits council from hearing any information after the public hearing for that proposal has closed.

Mayor Atebe further clarified that law does allow members of the public to contact councillors individually if they want to convey ideas or express opinions about any matter, at any time.

Council and staff responded to questions from the following people:

Jeanette Smith, Mission:

- (a) Shouldn't there be a requirement for all residential developments to have bear proof refuse containers?

Mayor Atebe responded that staff have been asked to work with conservation officers and Bear Aware coordinators to bring options before council.

- (b) What did council decide about spending \$5000 for water in a dog park?

Mayor Atebe responded that there has been no decision to spend any money for a water source. Staff have been directed to determine if a water source in Centennial Park is feasible.

Lila Rauh, Mission, asked how she could bring information to council regarding the

Meakin floating restaurant proposal.

Mayor Atebe responded that she can appear as a delegation, write a letter, send an email or telephone any one or all members of council.

**17. ADJOURNMENT**

Moved by Councillor Plecas, seconded by Councillor Gidda, and

RESOLVED: That the meeting be adjourned.
